Entire Agreement. This SOW constitutes the entire agreement between Konica Minolta and Client. This SOW supersedes any previous communications, representations or agreements between the parties, whether oral or written, regarding transactions hereunder.

Service Beginning. The Services provided under this SOW will begin on the first day that, at Konica Minolta's sole discretion, the Services are made available to Client.

Password(s) and Security of Client's Phone Service. Konica Minolta VoIP service has generic password(s). Client must change the password(s) when its service begins to protect its Long Distance and Local phone traffic from hacking and illegal activities. Client is responsible for any and all illegal use of its VoIP service. Konica Minolta is not responsible for the password(s) or the security of Client's Long Distance or Local phone traffic.

911 Dialing. Konica Minolta 911 Dialing will be implemented and operational with the Services. The Services may not be used in any geographical area different from that reported to Konica Minolta as Client's installation site. With E911 service, when you dial 911, your telephone number and registered address is simultaneously sent to the local emergency center assigned to your location, and emergency operators have access to the information they need to send help and call you back if necessary. By using the Services, you authorize Konica Minolta to disclose your name and address to third-parties involved with providing 911 Dialing to you, including, without limitation, call routers, call centers and local emergency centers.

Registration of Physical Location Required. For each phone number that you use for the Services, you must register with Konica Minolta the physical location where you will be using the Services with that phone number. When you move the Device to another location, you must register your new location. If you do not register your new location, any call you make using the 911 Dialing feature may be sent to an emergency center near your old address.

Confirmation of Activation Required. Your 911 Dialing feature will not be activated for any phone line that you are using with the Services, unless and until Konica Minolta has confirmed that the 911 Dialing feature has been activated for that phone line.

Outages. Outages due to electrical, internet or other failures. Client acknowledges that the Services will not function in the absence of electrical power, access to the Internet or other general failures associated with the VOIP network. Client acknowledges that the Services will not function if there is an interruption of Client's broadband or high-speed Internet access service.

Non-Voice Systems. Client acknowledges that the Services are not set up to function with out-dialing systems including home security systems, medical monitoring equipment, satellite television systems and some facsimile systems. By agreeing to the terms of this SOW, Client waives any claim against Konica Minolta for interruption or disruption of such systems by the Services.

Directory Listing service is a "best effort" service and Konica Minolta shall not be responsible in any way for Directory Listing(s) or omitted or inaccurate information contained in Directory Listing(s).
